

Salem Holiday Parade

By Sean M.

On Sunday, November 30th, Team 6324 attended the annual Salem Holiday Parade. Salem's Holiday Parade is a day for local businesses, organizations, and schools to decorate a float and walk down Main Street with a goal of displaying their contributions to the community with a flair of holiday cheer. Our team decorated our trailer with snowflakes and hung up our banners, detailing our achievements to all who sat along the streets to watch. In addition to this, our Reefscape robot, Poseidon, sat on display on the back of the truck pulling the trailer. Some of our extra team members spent their time helping the Exchange Club during the parade, doing so by collecting canned food and cash donations for their ongoing food pantry.

SPONSOR HIGHLIGHT

By Gail B.

This month's sponsor is the Salem NH Exchange Club! This is an organization that Team 6324 has always worked closely with. One quick glance is all it takes to recognize that this is a group of hardworking individuals who are dedicated to serving their town. Their community service endeavors have inspired our team to grow and strengthen our local interactions and relationships. To that, we say thank you!

The Salem Exchange Club is a group of business and professional leaders who have joined together to serve the community through a variety of projects... We engage in a number of social activities to share experiences, talents and our collective interests. All represent great opportunities for service, friendships and personal growth.
